

Scarborough Ontario Health Team Primary Care Provider Experience

Your Voice Matters in Shaping Better Connected Care

Why participate in this survey?

- Provide feedback to your Ontario Health Team (OHT) and Primary Care Network (PCN) to support meaningful quality improvement initiatives
- Help to identify gaps and shape solutions that support effective integrated care services for OHTs and the province

How to take the survey?

- Check your email for the survey link, scan the QR code, or ask your OHT or PCN about it

This survey will take about **5-7 minutes** to complete.

Your answers will be kept confidential (private).

Your OHT(s) will see the overall survey results that combine everyone's answers and will not be able to tell which answers are yours.
